

Introduction

- Posters should be prepared over an A4 page (21 x 29.7 cm) PDF and printed out in A0 (84.1 x 118.9 cm) format;
- Stick to the template in the following areas: main title, author list, affiliation and contact sections;
- The remaining can be freely modified to suit your needs.

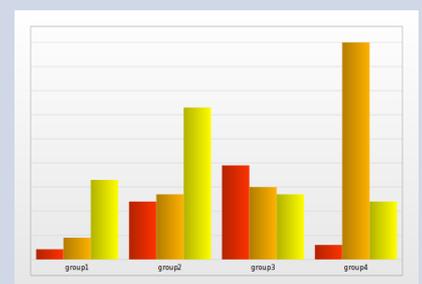

Suggested font sizes

Element	A4 Font size	A0 resulting Font size

Tips

- Go straight to the point;
- Be simple and clear in your statements;
- Prefer images to text;
- Credit your sources;
- Remember you'll be there to provide further explanations.
